<http://www.estimators-online.com>

Clients: Estimators Limited  
House No Gardale House  
Address 118b Gatley Road  
Address Gatley  
Address Cheshire  
Post Code SK8 4AU  
Tel: 0161 286 8601  
Site Address Sample Single Storey Extension  
Proposal **Sample single storey extension**  
PO Number **FOC**  
Date Priced **23/04/2010**

Thank you for your valued enquiry & instructions to estimate the above proposal, summarised herein:

**Free Reviewing:** If you are unsure about any item contained within this estimate please call the estimating team on **0845 650 2208**. Prior to completing your tender or budget costs we can customise and review any item. Customise labour rates, make specification amendments, modify the contract time, contingency and profit margins. A complete customised estimate will be sent to you **FREE OF CHARGE**

Cost Summary	Labour	Material	Total £					
Enabling Works	£29.26	£6.56	£35.82					
Excavations & Foundations	£478.81	£674.70	£1,153.51					
Foundation Masonry	£258.00	£369.26	£627.26					
Ground Floor and Slab	£517.94	£695.38	£1,213.32					
Brickworks	£1,356.61	£1,224.09	£2,580.70

Trade	Grade	Rate of Pay Per Day	Converting Trade day rates into hourly crew rates.
Groundworker	GR	£125.00	In all cases we use a Trade day rate based on an eight (8) hour day including breaks. The crew rate per hour is simply the Trade day rate divided by 8.
General Labourer	GL	£85.00	
Semi Skilled Labourer	SL	£100.00	<b>For example:</b> The rate of pay per day for a Roofer = £155.00 Day Divide by 8 hours per day = £19.38 Hour
Bricklayer	BL	£160.00	
Carpenter and Joiner	CJ	£160.00	Where a crew grade is more than one operative the day rates are added together and divided by 8. <b>For example:</b> The rate of pay per day for a Roofer = £155.00 Day + Semi-Skilled Labourer £100.00 Day Total Day Rate £255.00 Day Divide by 8 hours per day = £31.88 Hour
Roofer	RR	£155.00	
Plasterer	PL	£155.00	
Electrician	EL	£170.00	
Plumbing and Heating Engineer	PH	£170.00	
Painter and Decorator	PD	£125.00	
Working Foreman	WF	£164.00	

Crew Composition	Crew Grade	Crew Rate Per Hour
Groundworker	GW	£15.63

## Scope of Estimation

Unless indicated on the drawings, and where applicable we have allowed for the following:

**Electrical Works:** 2nr double sockets per room excluding Bathrooms, Cloak Rooms & En-Suites. 1 nr central light switched per room. 1 nr mechanical vent in each Bathroom, Cloak Room, En-Suite, Utility Room and Kitchen. 1 nr consumer unit per extension or new dwelling.

**Plumbing Sanitary Wares:** Bathrooms: 1 nr wash-hand-basin, 1 nr wc-pan and cistern, 1 nr bath including bath panel and side panel. En-Suites: 1 nr wash-hand-basin, 1 nr wc-pan and cistern, 1nr 900x900 shower tray, 1 nr pivot shower door and side panel, 1 nr 9.5Kw electric shower. Cloak Rooms: 1 nr wash-hand-basin, 1 nr wc-pan and cistern. All sanitary ware are white and include; taps, waste, waste

**Considerations:** In analysing this estimate we recommend that the following be taken into account prior to finalising your tender price or budget

**Estimators Limited** and its trade partners will accept no liability for any loss. It is the tenderers responsibility to satisfy themselves that all the intended works are covered within the final tender or finalised budget costs. The following information should enable you to fully adjudicate our estimator's interpretation of the costs.

**Material Costs:** Please note that for each item listed in the material section the prices given are neither retail nor trade prices. They are regional estimates of what most small builders who buy in moderate volume will pay a supplier. Discounts may be available for purchases in larger volume. Estimators Limited continually monitors regional material prices and reserves the right to change these prices at anytime without prior notice. We have included a section titled Special order Materials & Plant, in this section we have itemised by build stage items which are not commonly found ex-stock at leading builders merchants. We recommend firm fixed prices are obtained for these items directly from the source of supply. The supplier generally absorbs the cost of delivery to site, although we recognise some materials and plant may incur a delivery charge. Due to the complexity of material variants and unknown distances between the supplier and site we have not included any delivery costs. We have included in the summary time off site for a labourer-driver for the day-to-day collection and delivery of materials, plant and equipment.

**Labour Costs:** At its outset Estimators Limited conducted a labour rate survey with small builders throughout the UK in order to produce a regional labour rate database. The list of builders who contributed is confidential but we thank all those who took part. We are confident that this database is the most accurate & comprehensive in the UK. Estimators limited continually up-dates the database and reserves the right to change the rates at any time without prior notice. For non-trade customers we use defaulted regional labour rates. Trade customers can customise their estimates by completing a labour rate form, a copy of which can be found on our website. Please visit [www.estimateors-online.com](http://www.estimateors-online.com) or call 0845 6502209 for more information. The regional defaulted labour rate will be used for trade customers who haven't completed a labour form at the time of instruction. This can be amended free of charge on request.

**Unit Times** include the time to perform the task per unit of measurement and will usually include associated tasks such as: unloading and storing of materials, plant & equipment, normal time lost for breaks and regular cleanup of construction debris. As we have not visited the site, have no first hand experience of the customer requesting this estimate, no knowledge of the tradesmen performing the works and have no record of how much work the crew assigned to the job can handle, we have assumed the following in setting the unit times within this estimate: that the principal builder and tradesmen selected to perform the work are qualified career minded professionals. Estimators Limited produce estimates for builders, tradesmen, builder's merchants, insurance companies, mortgage lenders and private individuals. This criterion is used for all

**Supervision Costs:** The labour cost of the principle or the principle's foreman is not included in the labour costs; these have been added in preliminaries. We have assumed that 50% of all non-productive time is spent in a supervisory or management role. To calculate the cost we use the project duration in weeks multiplied by 50% of the foreman's rate. We are aware that some small builders do not employ a foreman. In these instances we recognise the principle as the foreman.

**Builders Contingencies (BC%):** Depending on the type of work, we will include by default either 2.5% or 5% builders internal contingencies. The allowance allocated is intended to cover any anomalies for any circumstance, that the builder would not normally be able to reclaim from the client. It is important to note that Builders Contingencies should not be confused with (Client Contingencies). Trade customers can customise the BC% margin free of charge on request.

**Fluctuation:** The differences between estimates can vary. Even when tendering builders are pricing using identical information there is room for legitimate disagreement on what the correct costs are. In our experience, for career minded professional builders the fluctuation should be within 20%. For this reason we have included a proposed contract price section in the estimate, in this section we have placed our proposed cost as the centre price and shown total costs plus and minus 10% giving a 20% fluctuation between the highest and the lowest. Assuming all tenderers have accurately included all elements the client should receive all tenders within this price band. We recognise some tenders may fall outside the price band and in these instances we would recommend that the estimate be fully checked.

**Please Note:** Estimators Limited does not conduct site surveys and has no knowledge of the true topography of the site. We therefore exclude works such as: landscaping, garden walling, driveways & paving. Estimators Limited do not price any type of: Wall Tiling or Floor Coverings, due to the vast ranges associated with these finishes. If your specification includes any of these finishes, you should obtain prices from the source of supply.

## Estimators Summary

Generally we have included for all the elements of the build, from site set-up through to a decorated finish, unless stated above.

As an indicative price a mid-range kitchen would be approximately, **£0.00** excluding appliances, based on your room size.

Every effort has been made to accurately estimate your project. Using this information wisely should help set the foundations of a trouble free project.

Estimators Limited is happy to answer any questions relating to this estimate and explain how we apply the costs. Free telephone assistance is available from 9:00AM to 5:00PM Monday to Friday except Bank Holidays Telephone 0845 6502208.

As the market leaders in domestic estimating services, we would welcome any comments you feel would help us provide a better service in the future. Please e-mail your comments to [feedback@estimators-online.com](mailto:feedback@estimators-online.com).

We trust that we have interpreted your requirements correctly and we look forward to providing you with this service again in the future.

Yours sincerely

***Stephen Whitby***
